

## Year 3 DT – Fruit Salad

In the UK during Winter, we can only grow a small variety of fruits therefore we have to import fruit from other countries to have the selection in the supermarkets.

Tier 3 vocabulary	
seasonal	The time of year when a fruit or vegetable is ripe and ready to harvest.
import	Bring good into a country, from abroad, to sell.
texture	The sensory feeling of food felt with fingers, teeth or tongue.
balance	Combining different elements of flavour, texture and colour to create an appealing dish.
