A FUN, CREATIVE SESSION PACKED
WITH DRAWING, IMAGINATION AND
HALLOWEEN MAYHEM!

AGES 7 - 13

Join professional comic artist Russ Daff for a spooktacular Halloween comic art session!

Using his popular games-based approach to drawing, Russ will inspire children to invent and draw their very own original Halloween comic characters. Witches, monsters, ghosts, pumpkins, strange creatures... anything goes, and you can make them as cute or as scary as you like!

Then bring your characters to life by turning them into a fantastic Halloween diorama scene to take home and display.
