

TELL ME A STORY

Mrs Darling

- 1 Pick that up and fold those clothes!

Mr Darling

It must be somewhere here!

Mrs Darling

Clean your teeth and brush your hair
And wash behind your ears!

All

Tell me a story of dragons and princes,
Of castles with secrets and doors.
Tell me a story of genies and wishes,
Of heroes who battle till dawn.

Mrs Darling

- 2 Settle down!

Mr Darling

You're far too loud!
Could someone help me here?
There's no time for make-believe!

Mrs Darling

They're only children, dear.

All

Tell me a story of long-bearded pirates
And grandmas who fly to the moon.
Tell me a story of faraway islands
And turtles in mermaid lagoons.

Mrs Darling (with optional harmony)

- 3 Come on George, it's time to go,
I'll help you with your tie.
Grab your coat, I've got your hat,
Let's kiss the kids goodnight.

Michael: Battling the baddest baddies!

John: Sailing through the stormy seas!

Wendy: Flying to the far horizons!

All: Just wait and see!

Michael, John & Wendy

Won't you tell me a story of tree-top adventures,
With fairies and dinner for two?
Tell me a story I'll always remember,
A story where dreams become true.
