

Dear Parents and Carers,

As your child begins the exciting transition from primary to secondary school, we would like to invite you to find out more about **Northstowe Secondary College**.

Our recent Year 6 Open Evening provided families with an opportunity to learn about our school community, curriculum, values, and the wide range of opportunities available to students. If you were unable to attend, or would simply like to learn more about the school, a recording of our Principal's presentation is available to watch here:
