

Year 1 and 2 History- Why did Cambridge grow and prosper?

Tier 3 Vocabulary

Settlement	A place where people begin to build houses.
University	A place where adults go to learn.
Trade	Buying and selling goods.
Industry	Something or somewhere that makes things.
Fair	A travelling collection of stalls selling things and people showing off their products.
Market	A place where people sell their goods, normally on a weekly basis.
Goods	Things that are bought or sold.

70AD Roman Fort

Goods were transported on the Rivers.

875 First Settlement

People traded goods at markets and fairs so Cambridge got richer.

Trade and Industry

1209 The University

The University became famous so more people wanted to come. The students brought money into Cambridge and spent it at fairs and markets.

Development of civilisation and society

History of Ely (Year 1)

Stone age to Iron age (Year 3)
