Knowledge Organiser for EYFS – Expressive Arts Autumn Term

Artist Autumn 2: Andy Goldsworthy

Born: 1956 Cheshire, England

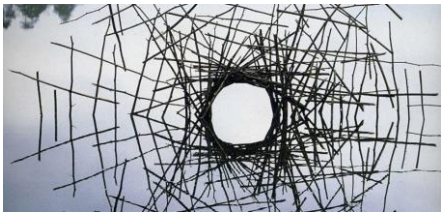

Andy Goldsworthy lives in Scotland

Andy Goldsworthy's work is *temporary*. He takes a photograph of his work, but he then lets it decay and change in the environment.

Andy Goldsworthy is an *environmental artist*. He uses natural materials such as flowers, mud, ice, leaves, twigs, pebbles, boulders, snow, thorns, bark, grass and pine cones to make his art.

Tier 3 Vocabulary:
Environment
Temporary

Twig, pebble, bark, boulder, thorn

Quote:
'Movement, change, light, growth and decay are the life – blood of nature, the energies that I try to tap through my work.'
