

Dear Parents and Carers of Children in Year 2,

The majority of our Year 2 children have now finished the RWInc phonics programme and will now be working on the RWInc Spelling programme instead. As part of this programme, children have a weekly list of words to learn, which will be tested, informally, the following week. Rather than send these on a week-by-week basis, we have found it easier to provide the whole list at once. Please see these words below. If you lose this document, please speak to your child's English teacher and they will be able to provide you with another copy. Please note, you will also have received a letter containing 'red word' spellings to learn. These are to be learnt across the term.

With best wishes,

Jess Scott and the Year 1/2 Team

Week beginning 29/9/25

Spelling focus: The or sound spelt a before l and ll

- 1) All
- 2) Tall
- 3) Small
