Dear Customers,

We are writing to make you aware of some changes to our fees that will take effect from 7th April 2025.

As our costs of providing high-quality teaching and therapy are rising, we find it necessary to increase our service fees from the 7th April 2025. These changes have been carefully considered in the context of the current climate. Any booking confirmations or invoices you receive from and after the 7th April 2025, will reflect this change in fees.

We are making you aware of the forthcoming changes to fees now, for you to have sufficient time to make the necessary financial arrangements.

We have taken this opportunity to share with you our 2025-26 fees and charges alongside the actual costs that Cambridgeshire Music Education Hub subsidises via their Arts Council England Music Education Hub Grant. This will hopefully give you an understanding of why we have raised our fees going forward.

Should you have any questions or would like to discuss any financial support needed, please do not hesitate to contact us using the details at the top of this letter. There are several bursary schemes available through Cambridgeshire Music and through your school. For more information, visit: [Help and Support \(cambridgeshiremusic.org.uk\)](https://www.cambridgeshiremusic.org.uk)

Thank you for your continued support and for choosing Cambridgeshire Music. We look forward to making music with you in 2025.

Yours sincerely,

Matthew Gunn
Head of Cambridgeshire Music
