

# Knowledge Organiser for Year 5/6 Art

## Angela Edwards Landscape Drawing

At CPS, you have studied other Landscape artists .  
This includes Klimt in EYFS and Lowry in Year 4.

In KS3 you will know about great artists and designers and understand the historical and cultural development of their art forms. In addition, you will produce creative work, exploring their ideas.

### What is Landscape Drawing?

Landscape drawing is an art form that captures the beauty and diversity of the natural world often showing countrysides or seashores.

### Key Facts about Landscape Drawing

- Landscape drawings can include people or animals but the focus is in the scenery
- Can include buildings or city scenes known as cityscapes
- Landscape drawing and painting developed in 17<sup>th</sup> Century
- The term landscape drawing comes from the Dutch word landshap
- Many landscape drawings are divided into foreground, middleground and background

### Tier 3 Vocabulary

Perspective Drawing	A way of showing objects so they seem the correct size and distance in relation to each other.
Charcoal	Burnt wood that is used to create black and white drawings.
Tone	The relative lightness or darkness of an area
Shading	The darkening or colouring of a diagram
Blending	Smoothing lines and tones together
Smoothing lines	Creating continuous and even strokes without abrupt changes in direction.
