## 24th May 2024

### A message from Mr Kilsby

The school continues to move forward at a breathless pace.

In addition to the day-to-day teaching across all year groups, there is an impressive number of events and activities taking place; including trips, visits, and sporting competitions (see the pictures over the page).

We have also been busy hosting a range of visitors—all of whom come to CPS to find out how we structure the various aspects of our curriculum.

These have included Headteachers and other senior leaders from schools in Cambridgeshire, and also from further afield, such as the delegation from the Northeastern Normal University in Changchun, China (pictured right), who visited us earlier this term.

We recognise that we learn so much about our fantastic school when we host visitors. We pride ourselves on being outward facing, and we embrace the challenge of trying to become a better and better school.

To this end, school leaders from CPS identify schools that have specific areas of expertise and then go and visit them.

Outcomes from these visits are then carefully considered alongside our current provision, with adaptations made—always with the aim of helping us deliver on our aim of ensuring all pupils are extremely well prepared for the next stage of their academic lives and beyond.

### Parking

Please be aware that no cars are now allowed to stop in the layby outside the front of the school.

We are aware that Penalty Charge Notices have been issued by Civil Enforcement Officers recently, both to cars that have stopped in the layby, or that are parked illegally along Lambs Lane.

Please can everyone ensure they park both legally and considerately.

### Tier 2 Vocabulary

Please be aware that the following Tier 2 vocabulary is currently being shared and taught across the school:

EYFS	Squabbles; Trampled; Tarpaulin; Alongside
Year 1/2	Towered; Clambered; Enthusiastically; Loomed; Majestic
Year 3	Rummage; Hollow; Draught
Year 4/5	Endure; Lure; Devour

*NB., For Tier 3 Vocabulary, please refer to your child's Knowledge Organisers*

### Assembly Music

Recent music in assemblies has included: "Do I Love You (Indeed I Do)" by Frank Wilson; "I Get the Sweetest Feeling" by Jackie Wilson; "Headstart for Happiness" by The Style Council; and "Rocking Chair" by Oasis.

**18th July, 2024:** End of term (14:00)

*Please note: more dates to be added as events are confirmed*

# CPS Newsletter

24th May, 2024

Mr Moore, our Online Safety Lead, would like to draw your attention to the following information about exploring respect and relationships online with your child/children.

## Family activities

Here you'll find fun and engaging activities that parents and carers can do with children of all ages to support this year's Safer Internet Day theme: **'All fun and games? Exploring respect and relationships online'**

Work through these activities with your child to help start conversations about life online and make sense of the digital world together. Find more activities, video content, tips and quizzes at: [saferinternet.org.uk](https://saferinternet.org.uk).

All  
ages

### Spend time online together

This year's theme is a great opportunity to have some fun and games together! Why not get everyone to write their favourite app or game on a slip of paper then take it in turns to pull from a bowl? Spend some time exploring each one as a family. Whether it's creating something together, competing or watching content, look out for the safety features and make a note of what these do, so you know where they are if you ever need them in the future.

### Explore the Childnet website

Explore the Childnet website where you will find activities, quizzes and videos tailor made for children of all ages. There is also information on key topics for parents and carers, advice about specific apps and games, and activities and conversation starters you can use with your whole family.

### Make a family agreement

A family agreement is a great way to start a conversation about how your family uses the internet. As well as the online safety agreement in the Parents and Carers Pack, you can find a more detailed version here: [childnet.com/family-agreement](https://childnet.com/family-agreement).

### 'All fun and games? Exploring respect and relationships online' Films

These films produced by the UK Safer Internet Centre are a great way to start a discussion with your child about how the internet makes them feel and what respect looks like online. There are different videos aimed at younger and older children available here: [saferinternet.org.uk/sid-films](https://saferinternet.org.uk/sid-films).
