### Garage

The place to practice is in the Garage. It's just you against the clock against the times tables of the week (set by your Band Manager).

Play in the Garage to get better and better before you perform in front of others.

Oh, and you get 10 coins for every correct answer!

### Studio

Record your best performances in the Studio (just like a top music star)! Face questions up to 12x12! Your rock status is calculated by taking the mean speed in your last 10 plays in the Studio.

If you answer 20 or more questions you're a **Rock Star!**

If you answer 30 or more questions you're a **Rock Legend!**

If you answer 60 or more questions you're a **Rock Hero!**

### Arena

The Arena is the place to perform with other bandmates! It's you against them against the times tables of the week (set by your Band Manager). Who's the best in the band?!

**Tip:** If you don't feel you're doing well in the Arena, take some time to practice in the Garage.
