

HOW DID WE END UP HERE, NANA?

Mr Darling

- 1 How did we end up here, Nana?
How did we end up here?
Seems like only yesterday we were kissing them goodnight.
Missing the way things were, Nana,
I'm missing the way things were,
All their games of make-believe, their laughter and delight.

CHORUS Mrs Darling

*Wish on a star and wherever you are
I'll be sat by the window and waiting.
Long for the day when you're home here to stay
And I'll tell you a story again.*

Mr Darling

- 2 Things haven't been the same, Nana,
Things haven't been the same.
Stood here in this nursery, the magic's disappeared.
Seeing them in my dreams, Nana,
I'm seeing them in my dreams,
So much I would say to them, if only they were here.

CHORUS x 2 (with added vocals)

Mr & Mrs Darling

How did we end up here, Nana?
How did we end up here?
